GOALS

LANDSCAPE ARCHITECTS, DESIGNERS, SALES STAFF

OWNERS & MANAGERS

BUSINESS STABILITY

- Become aware of mindsets
- We are not selling a commodity
- Your personal commitment
- Conscious of "Unaware, Aware, Understand, Believe"

- Process driven systems
- Shared accountability
- Grow your staff's competency
- Work yourself "out of your job"

CUSTOMER MANAGEMENT

- Use "professional" client filtering techniques
- Discover client enlightenment techniques & visual aids
- Learn world-class presentation

- Listening skills, insight to client
- Client driven profit centers
- Educate by enlightening your client
- Customers prefer to do business with paid professionals

PROJECTING FOR THE FUTURE

- Profitable Win/Win systems
- Create legitimate client dependency
- Assume authority & secure your future
- Learn to say "no" now, no regrets later

- Benefits of aligning with Architects
- Build, then show evidence = credibility
- Value - Build resource room
- Share beliefs with tools

PROFITABILITY

- Stop selling, allow customer to buy
- "I will charge design fees."
- Guard your most valuable asset: TIME!
- Promote Appropriate Needs & Desires (A.N.D>)

- Charge for "Professional Fees"
- Profit is NOT a bad word!
- Efficiency through systematic processes
- Acquire elite residential projects

CONTROLLING YOUR OWN DESTINY

- Clients preferring to buy from YOU
- Clients willing to wait for YOU
- Aligning yourself as a professional
- Create masterpieces, not minimum budgets.

- Create work backlogs a year in advance
- Luxury to be able to project for future
- Stop settling for what comes along
- P.O.E.C. Plan-Organize-Execute-Control

DEVELOPING PROFESSIONALS FOR THE FUTURE

"The dynamics of this "Process," the enthusiasm – IT WORKS !!! This is exactly what I've been looking for ."

- Peter Hansen of Vintage Landscape, Osterville Massachusetts

"My expectations were exceeded !"

- Steven Doerler of Doerlers Landscape, Yardville New Jersey

"Great ideas, yet very simple. I am kicking myself!"

- Matthew Posovar of Halls Horticulture, North Carolina

"I would recommend this class to a manager, or anyone who is in the business & is serious about their future !"

- Steven Beck of Tremendous Landscape Designs, Columbus Ohio

GARY KINMAN As a business owner and President of Kinman Associates, Gary has over 30 years of experience in the Design/Build industry. His broad expertise in the areas of designing, engineering, marketing, contracting, business and finance has allowed him to create the mystique that attracts the most prestigious clients. Kinman's introduction to the "process" will insure success at all levels - from securing the smallest of projects to understanding the "psychology" and acquiring elite residential work. These techniques work at all levels of any project

Create momentum and actually propel toward the contract while generating design fees, consulting fees and revenues with Gary's amazingly simple time tested concepts. Among Gary's accreditations are hundreds of companies that have adopted his techniques and are successfully using the "Kinman Process," and who today are now leaving their own mark on the industry.
